- To promote viable chapter initiatives/goals

COMMUNITY SERVICE

Our local chapter engages in two community service projects. At the beginning of each school year we make a donation to a local school. These donations have included clothes to schools where there were children who could not afford uniforms required by the school and monetary donations to schools that have used the gift to support other needs within the schools.

During the holiday season in November and December we make heartfelt contributions to families who are facing financial difficulty. Our efforts have included giving clothing and toys to families, donating meals to families, and donating nonperishable food items to local service organizations.

FUN AND FELLOWSHIP

Every year our local members enjoy fun and fellowship at our annual picnic in July. There is always lots of food, good music, and Aggie talk. This picnic also gives us an opportunity to invite students who expect to attend A&T in the fall.

In December, we select a local restaurant, where we gather to offer holiday wishes for the season.
